

PRODUCT SUMMARY

AromaEase essential oil blend is perfect for creating a powerful and comforting space. The blend's key essential oils—Peppermint, Spearmint, Ginger, Cardamom, and Fennel—make an aroma that is minty, fresh, and bold. Try diffusing it at home, around the office, or even in your car. AromaEase can also be used topically on your neck, shoulders, or abdomen for a refreshing sensation and soothing aroma.

KEY INGREDIENTS

Peppermint, Spearmint, Ginger, Cardamom, and Fennel essential oils

EXPERIENCE

AromaEase essential oil blend smells cool and minty and is formulated with powerful essential oils that create a soothing aroma.

PRODUCT BACKGROUND

AromaEase contains five Young Living essential oils, including Peppermint and Ginger. These oils, which have historical significance in ancient civilizations such as Ancient Rome and Greece, are also among Young Living's most popular. Together, these unique yet complementary oils create this powerful and calming oil blend.

Aromatic

Topical

Dilute

BENEFITS & FEATURES

- Has a soothing, slightly minty aroma
- Is a unique, proprietary blend formulated by D. Gary Young
- Is comforting and soothing when applied topically or when diffused aromatically
- Includes the naturally occurring constituents menthol, l-carvone, zingiberene, and linalool
- Is an excellent travel companion

SUGGESTED USE

- Apply AromaEase to your neck and chest for a refreshing sensation.
- Diffuse it while traveling to create an environment of rejuvenation.
- Add AromaEase to V-6™ Vegetable Oil Complex and massage it into your neck and shoulders before bed for a relaxing experience and calming aroma.
- Apply it topically for a soothing aroma.

AROMAEASE™

DIRECTIONS

Topical: Dilute 1 drop with 1 drop of V-6™ or olive oil and apply to desired area as needed.

Aromatic: Diffuse up to 30 minutes 3 times daily.

CAUTIONS

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
