

CHARCOAL BAR SOAP

Product Size: 3 oz (85 g) Item No.: 23799

Made with the powerful absorption properties of activated charcoal, Young Living's Charcoal Bar Soap removes dirt and impurities without stripping the skin's natural moisture barrier. Its naturally derived formula includes powerful skin-cleaning agents, moisturizing ingredients, and the bright, fresh scent of our Orange Blossom blend, gentle enough to use on both body and face. The unique benefits of charcoal soap make it an especially suitable facial soap for combination, oily, or acne-prone skin to help maintain a clear, healthy-looking complexion. Treat your skin to the natural care it deserves!

KEY INGREDIENTS

- **Activated charcoal powder** is sustainably sourced from the discarded shells of coconuts from India. Activated charcoal has a host of benefits, including the ability to remove dirt, oil, and impurities from the skin and wash them down the drain where they belong!
- **Orange blossom extract** is sourced from orange blossom flowers grown in the USA and adds a playful floral scent.
- **Lavender, Rosemary, Patchouli, Lemon essential oils** create an uplifting aroma profile.
- **Aloe vera leaf extract** is carefully extracted from the aloe leaf using a traditional European macerating technique that is gentle and helps maintain the plant's full range of benefits in the final product.
- **Certified sustainable palm oil** is a natural, gentle soap base that is gentler on the skin than many other soap bases. Our palm oil is sustainably grown and harvested in a way that both benefits local communities and protects local wildlife.
