

PRODUCT SUMMARY

Give your day a balancing boost!

The warm, sweet aroma of Davana essential oil is the antidote to a stressful, unbalanced day. The Davana plant is a member of the daisy family and is native to southern India, where it's traditionally used by Ayurvedic healers to balance the three Doshas, or energies, throughout the body and spirit. This holistic approach to balancing health and wellness is thousands of years old and is still practiced today.

- Plant-powered positivity: Davana can help curb occasional stress and gear you toward positive thinking with its exotic aroma.
- Banish blemishes: Clear skin comes easy with the help of Davana—fight back against blemishes and give your complexion sheer radiance.
- Personalize your scent: Davana is adaptive, which means that it smells and reacts differently to each person.

KEY INGREDIENTS

Davana essential oil

EXPERIENCE

Davana has a rich, fruity aroma that encourages feelings of calm, balance, and contentment. Diffuse its scent during the day to maintain balance and clarity or incorporate the exotic fragrance into daily meditation to heighten spiritual senses as you restore balance.

PRODUCT BACKGROUND

Davana essential oil is produced by steam distilling the leaves, stems, and yellow flowers of this exotic botanical. Its rich, fruity scent is used around the world to enhance high-end fragrances and perfumes. Davana is an adaptive scent, which means that it smells and reacts differently to each person. When applied topically, it gives off a different aroma depending on one's personal chemistry. You can find Davana essential oil in Acceptance™, ShuTran®, Awaken™, Release™, and other Young Living products.

Topical

Aromatic
