

PRODUCT SUMMARY

DiGize essential oil blend combines Tarragon, Ginger, Peppermint, Juniper, Lemongrass, Anise, and Patchouli oils for a spicy, exotic aromatic blend. It also contains Fennel essential oil, which people have used for a broad range of purposes since the ancient Egyptians.

To enjoy the rich, calming scent of DiGize, diffuse it in your home, office, or car. You can also apply it directly to your chest, wrists, and abdomen to enjoy its scent wherever you go.

KEY INGREDIENTS

Tarragon, Ginger, Peppermint, Juniper, Lemongrass, Anise, Patchouli, and Fennel essential oils

EXPERIENCE

DiGize essential oil blend has a spicy, exotic scent that is great for diffusing before or after large meals or applying topically to the abdomen for a calming aromatic experience.

PRODUCT BACKGROUND

DiGize was formulated to provide a calming aromatic experience. Tarragon, Ginger, Peppermint, Juniper, Lemongrass, Anise, Patchouli, and Fennel essential oils give this exclusive blend a warm and spicy scent that is both exotic and comforting.

The Young Living Whispering Springs Farm in Mona, Utah, has been a long-standing source of Peppermint essential oil, and the Peppermint in DiGize provides a slightly cool fragrance to the otherwise spicy scent.

The complex aroma in DiGize comes from the variety of oils in the blend. Tarragon and Ginger provide the herbaceous and spicy undertones, while Juniper and Patchouli combine for a calming aroma.
