

PRODUCT SUMMARY

Pop a Thieves Mint into your mouth for cinnamon-fresh breath after meals. Made with naturally derived ingredients and free of artificial sweeteners, dyes, and preservatives, Thieves Mints are a choice you can feel good about. Created with Young Living's Thieves essential oil blend, these mints deliver minty coolness with a hint of warm, sugar-free sweetness. Thieves Mints come in a conveniently sized container that is great to take on the go!

KEY INGREDIENTS

Thieves essential oil blend, Peppermint essential oil, and Sorbitol

EXPERIENCE

Thieves Mints are delicious and naturally sugar free. Their minty, cool notes are derived from Peppermint, and their hint of spice comes from our legendary Thieves essential oil blend.

PRODUCT BACKGROUND

Thieves Mints are a quick and convenient way to freshen breath with the benefits of pure essential oils. Made with Peppermint essential oil for a hint of coolness and the warm spice of Thieves essential oil blend, Thieves Mints deliver sweet cinnamon-mint flavor to freshen breath after meals. The naturally derived ingredients in our proprietary Thieves essential oil blend also include Clove, which contains the naturally occurring constituent eugenol.

BENEFITS AND FEATURES

- Freshens breath with a cool, invigorating taste
- Contains naturally derived ingredients
- Contains no sugar, artificial sweeteners, dyes, or preservatives
