

Item No. 4723

KidScents® Oil Collection

The KidScents Oil Collection is a comprehensive kit that addresses the most common concerns of childhood. This kit includes six mild essential oil blends, formulated especially for children:

- GeneYus™
- Bite Buster™
- SniffleEase™
- Owie™
- TummyGize™
- Sleepylze™

Conveniently packaged in an easy-to-carry case, this collection comes with two roll-on fitments for easy application, especially for Owie and TummyGize. This arsenal of proprietary blends has been formulated in the appropriate strength to meet the needs of children and is a safe, natural alternative to comparable products found on many store shelves.

With the KidScents Oil Collection, parents and caregivers can safely and effectively navigate children through childhood to become healthy and happy adults.

Primary Benefits

- Helps child stay on task
- Soothes sensitive skin
- Supports healthy skin
- Calms the body
- Uplifts the senses
- Relaxes the mind and body

Who Should Use the KidScents Oil Collection?

- Children under adult supervision.

Suggested Use

- Apply topically or diffuse.
- Read label directions for each essential oil blend.

Cautions

- Only to be applied by a trusted adult or under adult supervision.
- Keep out of reach of children.
- If you have a medical condition, consult a health professional prior to use.

Did You Know?

- Good emotional and behavioral health is an integral part of healthy development and enhances a child's sense of well-being, supports rewarding social relationships with family and peers, and facilitates achievement of full academic potential. (SurgeonGeneral.gov)
- Early childhood experiences have lasting, measurable consequences later in life; therefore, fostering emotional well-being from the earliest stages of life helps build a foundation for overall health and well-being. (SurgeonGeneral.gov)
