

Thieves® Kitchen and Bath Scrub

Product Size: 14 oz. (397 g) Item No.: 30662

Thieves Kitchen and Bath Scrub gives you the power of a surface scrub free of harmful chemical smells and residue. Thieves Kitchen and Bath Scrub gains its tough scrubbing power from nepheline syenite, a mineral we obtain from responsibly mined sources in Ontario, Canada; baking soda that gently absorbs odors; sodium percarbonate that releases oxygen when combined with water, providing a powerful boost of cleaning power against tough stains; and Young Living's signature Thieves blend. Designed for use on multiple surfaces, Thieves Kitchen and Bath Scrub is your new naturally derived cleaner: tough on messes and safe for your family.

FEATURES & BENEFITS

- Chlorine-free all-purpose cleaner that is safe for use on porcelain, ceramic, copper alloys, fiberglass, Corian, brass, bronze, and chrome
- Easily cleans cookware, stove cooktops, countertops, tile, grout, bathtubs, faucets, toilets, backsplashes, barbecue grills, outdoor patio furniture, and exteriors without scratching
- Removes grease, dirt, grime, residue, and tough stains from most surfaces without harsh chemical smells or residue
- Formulated without harmful chemicals, synthetic surfactants, phosphates, synthetic perfumes or dyes, gluten-containing ingredients, or artificial colors or fragrances

KEY INGREDIENTS

- **Nepheline syenite:** A naturally occurring mineral responsibly mined in Canada, nepheline syenite is formed from molten magma and is similar to granite. It provides the scrubbing power to remove tough stains without scratching.
- **Sodium bicarbonate:** Commonly known as baking soda, this powder helps remove odors and gently cleanse.
- **Sodium percarbonate:** An effective, safer alternative to chlorine bleach, this ingredient releases oxygen to lift stains and dirt.
- **Citric acid:** This natural ingredient helps tackle tough hard-water surface stains.
- **Thieves essential oil blend:** Thieves is a Young Living signature blend that features purifying essential oils known for their immune support, refreshing breathing experience, and cleansing properties.*

SUGGESTED USAGE

- Use it to naturally tackle soap scum, built-up grease and grime, and hard-water stains in the kitchen and bathroom.
- Keep it on hand for cleaning grills and barbecues after picnics.

Thieves® Kitchen and Bath Scrub

DIRECTIONS

Sprinkle Thieves Kitchen and Bath Scrub onto a wet surface or sponge. Rub the surface with a cloth or sponge for a sparkling clean, then rinse.

Note: Thieves Kitchen and Bath Scrub is a mildly abrasive cleaner. Do not use it on surfaces that the manufacturer states should not be cleaned with abrasive cleaners. Always test a small hidden area first. Do not use on windows, mirrors, polished stone, or surfaces that are lacquered or painted. When cleaning brushed-metal surfaces, always rub in the direction of the brush lines. It is not intended for use on brushed/polished stainless steel appliances.

SAFETY

Keep out of reach of children. For external use only. Avoid contact with eyes. It's recommended to avoid contact with skin by using gloves when cleaning. If contact accidentally occurs, wash off with water and gentle soap. Avoid getting this product into mucous membranes.
