Immugummies™ contain *Euglena gracilis algae*—a high-value source of beta (1,3) glucans

- Euglena algae stores energy as beta (1,3) glucans.
- Beta (1,3) glucan is an immunomodulator that supports immune health*
 - Beta-glucan can be found in various sources like yeast, mushrooms, oats, barley, and cellulose.
 - Euglena algae-sourced beta-glucan supports immune health, encourages optimal immune function, and supports upper respiratory tract health.*

How do the ingredients in our Immugummies™ supplement support the immune system?

- They support, promote, and maintain key immune system cells such as macrophages, dendritic cells, and neutrophils.
- They promote immune cell signaling (cytokines and chemokines).*
- Beta-glucans support gut barrier integrity and function.*
- Elderberry juice concentrate contains antioxidants that combat free radicals and support the immune system.*

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease. Consult your physician before beginning any health maintenance program.

How do the ingredients in our Immugummies™ supplement support the immune system? Continued...

- Elderberry and elderflower have been used for centuries to support a healthy respiratory system.*
- Young Living® Lime essential oil contains d-limonene, a terpene that has antioxidant properties.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease. Consult your physician before beginning any health maintenance program.

Sustainability and green chemistry

- The *Euglena gracilis* algal extract within our Immugummies™ supplement is sustainably produced through an indoor fermentation process that is optimized to reduce waste to almost zero, preventing harm to the ecosystem.
- This process qualifies the *Euglena gracilis* algal extract as a product of green chemistry.

Immugummies™ provide immune support for the whole family*

Experience the full immune-supporting benefits packed into a tasty gummy!*

- GMO and allergen-free ingredients
- Vegan-friendly with no added sugar
- Formulated for ages 4 and above
- 60 gummies (one-month supply)
- Packed in a convenient pouch for wellness at home or on the go
- Take 2 gummies daily with or without food.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease. Consult your physician before beginning any health maintenance program.

Immugummies™ provide immune support for the whole family*

- Better for your teeth
- Safe for children 4+
- Less is more!*

*Adults and children only need two gummies per day, compared to other brands that require adults to take four, which means your gummies last longer.
